Attached are the names of Childcare Providers that have signed up to the CCSP Scheme, which includes universal and targeted subsidies, aimed at lowering the cost of childcare for families.

The DCYA cannot guarantee the availability of spaces in any service as this is subject to the enrolment policy and capacity of each service.

Places in childcare services are subject to the terms and conditions of the childcare service and participation in any of the government's childcare schemes is subject to compliance with the terms, conditions and eligibility criteria of those schemes. For further information visit [affordablechildcare.ie](http://affordablechildcare.ie) or email [EYqueries@dcya.gov.ie](mailto:EYqueries@dcya.gov.ie)

TEC (supporting return to training and employment), ECCE (free pre school) and CCS (targeted subsidy for lower income families via Community Childcare Services) are also available. To view a list of services offering these additional subsidies please contact your local City/County Childcare. Details can be found at [www.affordablechildcare.ie](http://www.affordablechildcare.ie)
